June Mission Trip Report

At the end of the month of June we were happy to host a mission trip of 40 people from the Nazarene churches in western Pennsylvania. The group worked on the first phase of a roof for a concrete lot near our church which will be used as a children's ministry facility. They also worked in a local public school, completing a classroom, cleaning and painting the bathrooms. In addition, they organized a Vacation Bible school with the kids from the neighborhoods surrounding the church and school. The children had a wonderful time as they learned about God!

Working on digging holes in the parking lot! Very hard work!

The school where they completed the classroom and did a small vacation Bible School.

Randy and Denise Installing the windows at the school.

Kids enjoying making crafts at the church.

Support Campaign '08

Hi everyone!

The time has come once again for us to raise our financial support for the coming year. We have been so blessed with the way that God has provided for us this past year and are always amazed as prayers are answered! We love to pass that blessing on to the people of Guatemala. We hope to be able to continue our work as full time missionaries but we need your help!

Because the people we are working for cannot afford to pay us for our work we are completely dependent on our friends back home to help us to be able to live and minister in Guatemala. Please prayerfully consider helping us out with a monthly or one-time donation. Each dollar is important as we look to meet our monthly expenses.

In addition to our normal monthly expenses, we made a list a few months ago of things we would like to have for our ministry. Without even telling anyone we have already had some of those needs met! For our recording project, we were able to obtain a used apple laptop that has recording capabilities. We also had a car donated which will be a wonderful help when we have mission teams and had people come forward to help pay for Edgar's tuition at seminary! God is so faithful! On our needs list we are still looking for a piano keyboard, money for Edgar's books and supplies for school, and savings for a house that will better accommodate visitors. We are also needing a bit more monthly support to cover the costs of health insurance and rising gas and food costs.

Donations can be mailed to our support address at Commission to Every Nation which is located on the left. If you would like to save the 42 cents, now donations can also be given online on our mission's secure web address, www.cten.org. Click on the CTEN United States and then on the missionaries tab. You will find our picture under Guatemala with an option to "support this missionary"!

To those of you who have been our faithful supporters, thank you so very much. We pray that God will bless you in wonderful ways for your generosity!
